

DISCOVERY POWER LED

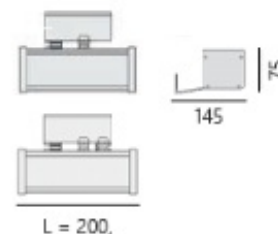

General data:

| | |
|------------------------------|----------------------------------------|
| Mounting: | on an adjustable holder, to the ground |
| Casing: | aluminium |
| Ingress protection IP: | 66 |
| Operating temperature range: | from -40° to +45° |
| Żywotność L80B10: | 100 000h |

Dane elektryczne:

| | |
|--------------------------|-------------------------------------------------------------|
| Nominal voltage: | 220-240V AC |
| Nominal frequency: | 50-60Hz |
| luminaire nominal power: | 5W-50W |
| Protection class: | I |
| Connection: | wire 3x0,75mm ² (5x0,75mm ² for DALI) |
| Wiring: | through, standard |
| Connection wire: | 0,5m |
| Dimming: | ON-OFF, DALI |
| Power supply: | inside the luminaire |

Optical data:

| | |
|---------------------|---------------------------|
| Optical system: | lens |
| Material: | PMMA |
| Light emission: | bezpośrednia |
| Light distribution: | symmetrical, asymmetrical |

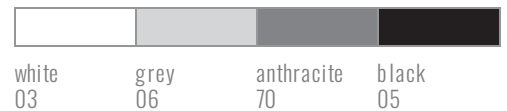

Dane świetlne:

| | |
|-----------------------------|--------|
| Light source: | LED |
| Colour rendering index: | CRI>80 |
| Colour tolerance SDCM: | SDCM<3 |
| Tolerance of luminous flux: | +/-10% |

Discovery is a linear luminaire with a slim construction based on an aluminum profile, using high-quality LED modules. Thanks to a wide range of optics, the luminaire is able to meet the assumptions of the most demanding projects. The use of an appropriate lighting control system allows you to obtain unique light scenes. The Discovery luminaire is designed to illuminate the facades of modern, classic, historical buildings, urban buildings, housing estates, hotels, restaurants.

L - lenses available:

10 - 10°
20 - 20°
40 - 40°
60 - 60°
41 - 45°x10
8 - 8° wall-wash
45 - 45° wall-wash
02 - asymmetrical

W - wiring

T- through
S- standard

E - electronic

O- On-Off
D- DALI

C -colour
